

Illinois Council of Teachers of Mathematics Serving Teachers of Mathematics and Computer Science

M. Vali Siadat
3410 North Lake Shore Dr. Apt 16D
Chicago, IL 60652

Congratulations!

You have been selected as the recipient of the Illinois Council of Teachers of Mathematics Post-Secondary Mathematics Teaching Award. I am delighted to see that so many mathematics teachers are talented in so many creative ways and are so deeply appreciated by their students, peers, and administrators. The quality of the packets is very impressive.

In recognition of this award, you and all other state awardees will be honored at a dinner at the ICTM Conference, Friday, October 19, 2001. You will be offered two complimentary tickets to the dinner but will have the opportunity to have invitations sent to others who might wish to celebrate with you at their own expense. Further details about the dinner will be sent to you as soon as they are finalized in the fall.

Please accept my personal congratulations and enjoy the honor the selection committee has bestowed upon you in recognition of your excellence in teaching mathematics. Illinois students are fortunate to have so many dedicated teachers. You are truly a credit to your chosen profession.

Sincerely,

Claran Einfeldt
ICTM Awards Director
